

Dear Friends In Christ,

Thank You for the warm welcome I have experienced in the various activities I have attended around FUEL.

Just a few words about me: I served two calls for a total of 38 years—Lancaster City and Leola. I am married with three grown children—two boys in Lancaster City and a daughter in Manheim, with our three grandchildren.

In case you might see me standing around when there is lifting to be done, I have had several surgeries in the last few years that limit my ability to lift. It's not that I don't want to help, I shouldn't.

I also take the stairs slowly, so if you don't want to be behind a slowpoke, pass me.

These are interesting times at FUEL as we all need to support one another with prayer and encouragement. This is also a good news/bad news time; if you don't like my style, it won't be long and if you do like my style, it won't be long.

I am a founding member of Pastor Richard Jorgensen's Transformational Ministry Team which meets monthly. I also meet to coach the Pastor of Union Lutheran Church on West Market Street in York about every five (5) to six (6) weeks.

May we look forward with anticipation where the Holy Spirit will guide us.

*Your Interim in Christ,
Pastor Newell Embley*
